

**MINISTRY OF EDUCATION AND SCIENCE OF UKRAINE
NATIONAL AEROSPACE UNIVERSITY “KhAI”**

**EXTRACT FROM ORDER № 67
dated February 6th, 2020**

**On measures to improve discipline
and educational work in the university**

In order to improve the state of educational work at the university, to enhance discipline among students and staff of the university, to prevent administrative offenses and to provide the proper conditions of educational process at the university special regulations adopted by the university and other bodies were taken into consideration.

IT IS HEREBY ORDERED THAT:

1. Students, postgraduates and the staff of the KhAI as well as other people who are on the territory and in the premises of the university and campus shall be **prohibited from**:
 - a) consuming of low-alcohol beverages, spirits and beer;
 - b) smoking except in special places;
 - c) storing and using of drugs and toxic substances as well as hookahs and other smoking products;
 - d) storing and using firearms, traumatic, pneumatic and cold weapons;
 - e) causing fights and other actions that have signs of administrative or criminal offenses;
 - f) unethical behaviour, namely, profanities;
 - g) placing outdoor advertising in any way including on information stands (boards) located on the territory and in the premises of campus and university without the permission of KhAI administration (administration of campus).

Those in charge: vice-rector, deans of departments, head of the department of educational work; head of the voluntary people's guard, director of KhAI campus.

Term: permanently.

2. Students, postgraduates, the staff of the KhAI and other residents of hostels who have violated paragraph 1 of this order shall be subject to disciplinary and/or administrative punishment as prescribed: expulsion from the university, **eviction from the hostel** or other types of penalties.

Those in charge: deans of departments, director of KhAI campus; head of the department of educational work.

Term: permanently.
